

# Star Daze BOM: Fabric Requirements

Please keep in mind that all yardage is based on 40" fabric and that I try to include plenty of extra in case of mistakes/miscuts. This quilt is absolutely something that can be made with scraps!

White Background: 2.5 yards

Color Background & Border: 4 yards

Star Blocks: (9) fat quarters (or ¼ yard) of different fabrics

Binding: ¾ yard

Backing: 4.5 yards

Throughout the block directions, I will refer to each fat quarter as the following for placement and assembly purposes. The empty columns are where you can put in your colors so you can keep track of what is what!
