(It will be 9" once it is sewn into the quilt)

## Cutting Instructions

- From 4 fat quarters (red, yellow, teal, and purple), cut one (1) 4.5" square, cut once diagonally to make two triangles.\*\* (Available from scraps previously cut!)
- From 4 fat quarters (orange, green, blue, and raspberry), cut one (1) 4.5" square, cut once diagonally to make two triangles. From each of those same colors, cut one (1) 4" square, cut diagonally to make two triangles.
- From the color background, cut out (2) 3.5" squares, (1) 4" square, and (1) 4.5" square. Cut the 4" and the 4.5" squares once diagonally to make two triangles.
- From the white background, cut out (1) 3.5" square, (1) 4" square, and (1) 4.5" square. Cut the 4" and the 4.5" squares once diagonally to make two triangles.

## Assembly

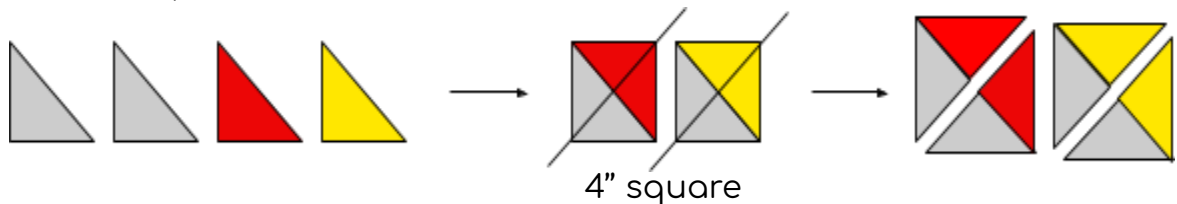

- \*\*Take (1) 4" color background triangle and put it with (1) 4" white background triangle; sew together on the longest side to make one half square triangle. Trim so it measures 3.5" square.\*\* (This step can be made from scraps of other blocks!)

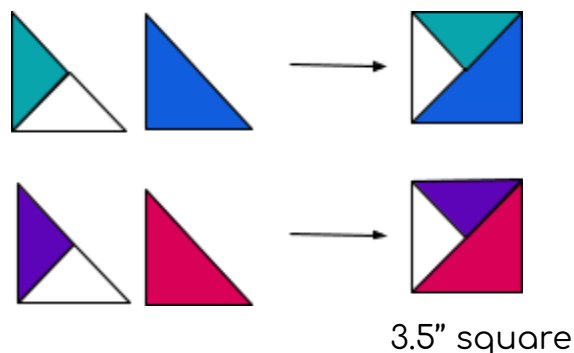

- Pair a 4.5" white background triangle with one of the 4.5" triangles of each of the following colors: purple and teal. Sew together to make half square triangles. Trim to 4" square. Cut each square once diagonally to make two triangles each.

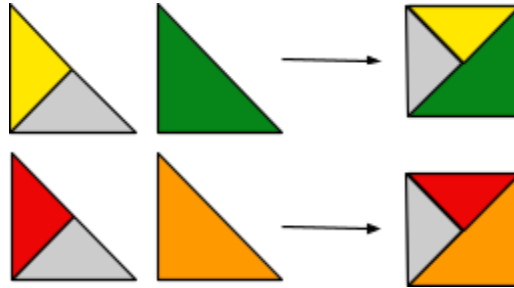

- Pair a 4.5" color background triangle with one of the 4.5" triangles of each of the following colors: red and yellow. Sew together to make half square triangles. Trim to 4" square. Cut each square once diagonally to make two triangles each.

- Take the teal and white HST. Pair with the blue 4" triangle and sew together. Press open. Trim to 3.5" square. Repeat this step with the purple and white HST and the raspberry 4" triangle.

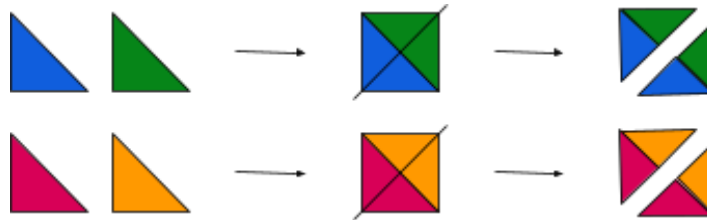

- Take the yellow and colored background HST. Pair with the green 4" triangle and sew together. Press open. Trim to 3.5" square. Repeat this step with the red and colored background HST and the orange 4" triangle.

3.5" square

- Using the blue and green 4.5" triangles, sew to create a HST block. Cut the block in half diagonally. Repeat this step with the raspberry and orange 4.5" triangles.

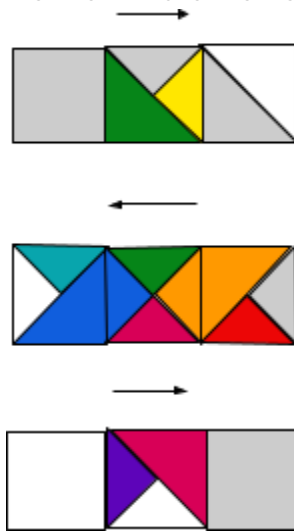

- Being careful to select the correct sides of the cut HSTs from the prior step, sew a half of the blue/green HST to a half of the raspberry/orange HST. Trim to 3.5"

3.5" square

- Arrange the blocks in 3 rows as shown in the diagram below. Sew together, pressing in direction of the arrows.

- Sew the rows together to form the block. The block should measure 9.5".
